**DECLARATION UNDER 1.132**

I, Dr. Kenneth Sundberg, a citizen of Finland and a resident of Turku, Finland, hereby declare:

That I was awarded a Doctor of Science degree in 1995.

That I was an employed of Ciba Specialty Chemicals Oy (formerly Raisio Chemicals Oy) as a Research Manager in the field of Paper Sizing Agents their applications since 1998.

I am one of the inventors listed on the above application and have overseen the experimental work reflected in the table and in "Summary and Conclusions" on page 13 of the above application.

The Reel No. designations in the table (1A and 12) are incorrectly assigned. The Reel No. 12 should have been assigned to the first line of results in the table and 1A assigned to the second line of results in the table.

Thus the correct table on page 13 of the above application should read:

Reel No.	Fifth day Natural Cobb	Fifth Day Natural HST	Lactic Acid Resistant		Peroxide Resistance/kg m <sup>2</sup>
			1 Hour / kg m <sup>2</sup>	24 Hours/kg m <sup>2</sup>	
12	17.7	167	1.1	3.19	8.41
1A	17.3	264.2	0.79	2.72	4.13

I further declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that wilful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such wilful false statements may jeopardize the validity of the application or any patent issuing thereon.

Signed this 1st day of December, 2006

Dr. Kenneth Sundberg
